Famine - Siruguppa Taluk - Hatcholli firka - test work at Nadangam - starting - Sanction requested.

***

The whole of Hatcholli firka was affected and 25% remission of land revenue granted to all the villages of that firka. Petitions have been received from some villages of this firka requesting to start a famine test work to give them employment. The Revenue Divisional Officer, Bellary reports that as the labourers have not been finding any employment there is need for a test work. He proposes the road from Ravihal to Hrivanam via Nadangam to be taken as test work with headquarters at Nadangam. I visited this locality and I agree with him. This work is in the famine programme and will serve the affected villages in that tract. I therefore propose to start the work on or about the 25th May 1935 and request that the Board will be pleased to accord sanction. I request that orders may be sent to me by wire.
